Custom Cakes

Because we are a small, family-owned bakery that tailors each cake to our customers' wishes, there is a limit on the number of orders we can take per week. And because we have been serving the community in this way for over 5 years, our calendar fills up quickly.

Please contact us at least 6-8 weeks before your event to reserve your date. Pricing for custom cakes start at \$100. All custom-decorated orders are to be paid in full when the order is placed. Once confirmed, whether it's for pickup or delivery, it is final and non-refundable.

Satisfaction and Cancellations

We want you to have sweet memories! If you are not completely satisfied, please let us know as soon as you realize there is a problem so we can do our best to make it perfect. In the event of a canceled party or any unforeseen situation, Sweet Boutique Bakery will gladly assist you in making changes to your order date and time whenever possible.

Care and Instructions

If you choose to pick up your cake and transport it yourself, we are not liable or responsible for the cake once it has left the bakery. We do everything in our power to provide a well-structured cake, but please note that cakes are very fragile and can break easily. Drive carefully and slowly. We recommend you set the cake on a secure flat surface like your floorboard or your trunk. Once you reach your destination we recommend refrigeration until 2-3 hours before serving. If the cake sits all day at room temperature, the buttercream may begin to melt and sag and the cake may no longer be pristine for your event.

Enjoy
